Thalita dos Reis

`Full-Stack Developer`

As a junior full-stack developer with a hospitality and management background, I bring a unique perspective to the tech world. With a curious mind for tech and user psychology, I am passionate about tooling and thrive in adapting rapidly to any tech stack.

Education

Full-Stack Web Development
Ironhack, Remote, Nov 2022 - Feb 2023

- Completed a 9-week intensive program focused on developing skills in full-stack web development using modern web technologies

- **Technologies:** JavaScript(ES6), React, HTML, CSS, Express.js, Node.js, MongoDB, Mongoose, Axios

Bachelor of Commerce in Information Systems
Victoria University of Wellington, 2019 (incomplete)

- **Relevant coursework completed:** Information Systems, Management, Government, Law and Business, Marketing, Microeconomics and Accounting

Web Development Projects

These projects were built during my enrollment in Ironhack's Web Development Program.

Moonlight
- Developed a MERN web application for event discovery and attendance, featuring a real-time chat to connect attendees.
- Utilized technologies such as React.js, CSS, HTML, JavaScript, Node.js, Express.js, MongoDB, and Socket.io
- https://moonlight-events.netlify.app/

Outbackers
- Developed a web platform that connects backpackers with temporary jobs and housing opportunities.
- Utilized technologies such as HTML, CSS, Handlebars, Javascript, Node.js, Express.js, and MongoDB
- https://outbackers.adaptable.app/

Yoshi Run
- Developed a web-based game where Yoshi has to jump over incoming obstacles.
- Utilized technologies such as HTML, CSS, and Javascript
- https://thalitadosreis.github.io/yoshi-run/

Experience

Career Break for Travel
Apr 2022 - Nov 2022

- Embarked on an 8 months adventure throughout Europe and Asia, immersing myself in diverse cultures and languages, and developing strong communication, problem-solving, and adaptability skills.

Floor Manager at Mr Robinson Bar
Sep 2021 - Mar 2022
Barcelona, Spain

- Managed service and food quality, built strong customer relationships, and oversaw employees, resulting in increased repeat business, customer satisfaction, and productivity.

Waitress at George Payne Irish Pub
May 2021 - Aug 2021
Barcelona, Spain

- Provided excellent customer service, accurate cash handling, and demonstrated knowledge of menu items, specials, and drink selections.

Duty Manager at Kāpura
Aug 2020 - Mar 2021
Wellington, New Zealand

- Managed all aspects of bar operations, inventory control, and customer service to exceed sales targets, reduce costs, and improve profitability, utilizing technology and inventory management systems.

Junior Accounts Payable at Kāpura
Nov 2019 - Aug 2020
Wellington, New Zealand

- Managed accounts payable functions, processed invoices with a high level of accuracy, collaborated with cross-functional teams and ensured compliance with company policies and regulatory requirements.

Duty Manager at Fortune Favours Beer
Jan 2019 - Mar 2020
Wellington, New Zealand

- Managed the daily operations of a brewery taproom and events space, collaborated with the head brewer to coordinate beer releases and tastings, promoted and educated customers on new and existing products, and improved overall customer satisfaction.
